SPACE COAST GARDENS

City of Cocoa *Space Coast Gardens and Melrose Manor* WATER MAIN REPLACEMENT

Project Overview

The City of Cocoa has completed the planning and design for the replacement of the water mains in the Space Coast Gardens and Melrose Manor Subdivisions.

Construction is slated to begin February 2013 and is anticipated to be complete in late summer 2013. All proposed improvements will take place within the County's existing public rights-of-way. You will be receiving more information on the project as the start date approaches.

For additional information, please see the Cocoa Capital Project Website at <http://ccip.cocoafl.org>.

What to Expect During the Project

- ▶ Every effort will be taken to minimize disruption during the process
- ▶ Maintaining access and water service to homes and businesses will be a top priority
- ▶ Construction crews will protect or restore impacted areas to their preconstruction conditions
- ▶ Door hangers with additional information will be distributed as construction progresses through the subdivision

Goals

- ▶ Maintain safe work environment
- ▶ Improve water pressure, service reliability and fire hydrant protection in the area
- ▶ Increase water distribution efficiencies and performance
- ▶ Address public concerns
- ▶ Minimize inconvenience during the project
- ▶ Keep residents and local community updated about this project and maximize communication and coordination with customers and the City of Cocoa
